Dear Mr. Haddock:

SUBJECT: FORM R-69

In the deficiencies to the M&RP, the Utah Division of Water Rights required that Utah Fuel submit Form R-69, "Application to Construct a Dam Impounding Less Than 20 Acre Feet".

As reported to you in our deficiency response letter, we submitted Form R-69 to Utah Division of Water Rights (DWR) for the Waste Rock Disposal Pond. We are attaching a DWR response to this application indicating that the application is not necessary.

Sincerely

Glen A. Zumwalt
Vice President/General Manager
